2. Please rake your tracks when leaving a sand bunker. Rakes should be left in the sand bunker with the handle left outside the bunker.
3. When you putt out with the flag stick in, please exercise care when removing the ball from the hole so as to not damage the edge of the cup.
4. After finishing a hole, place the flag in the hole and leave the green area immediately. Proceed to the next tee, do not remain parked along the side of the green; mark your

scores at the next tee.

5. Please abide by traffic stakes when entering and exiting fairways and nearing greens. Follow designated cart paths as much as possible and enter fairway when approaching your ball positions.
6. Please be respectful of private property surrounding the golf course. Under no circumstances shall golf carts be driven on, or any shot played from, any area other than golf course property.
7. Slow Play —Expected pace of play at Bonita National Golf and Country Club is 4 Hours or less. Player Assistance Personnel and/or Golf Shop Staff consistently monitor the speed of play and are required to enforce the following policy for the pleasure and enjoyment of the entire field. You may receive a message via the golf cart GPS system, warning you that you are behind pace. Every effort should be made to return to position. This is for the enjoyment of all players.

RULES OF PLAY

USGA Rules will govern all play supplemented with the following local rules:

1. All hazards are considered Lateral Hazards. Proceed under Rule 26-2. In the absence of red lines or stakes, the margin of the hazard begins at the water's edge; OR, when water levels are low, the grass line above the water's edge.
2. Any ball coming to rest on a natural cart path is entitled to relief with no penalty. Proceed under Rule 24-2. (Except on Hole #3 where the cart path is within a penalty area)
3. The Embedded Ball Rule is in effect "through the green." Proceed under Rule 25-2.
4. Grassy areas between holes are considered "through the green." A ball not found in these areas is considered a Lost Ball. Proceed under Rule 27.

Bonita National Local Rules (May 2020)

1. All Penalty Areas marked by lines and/or stakes. Lines always take precedent over stakes. In absence of either, the break in the ground or change in landscape/grass represents the hazard line (same rule applies for boundary line).
2. The player may take relief without penalty, on all designated cart paths. This includes dirt cart paths. This does not include "Waste Areas" or Penalty Areas, i.e. right side of #3, #4, #5, #6, #7, #16. The area immediately to the right of #4, #7, and #16 greens is a dirt cart path and relief is granted. There is no Cart Path on #3.
3. In any "Waste Area," the player may take relief without penalty when the golf ball lies up against the edging. However, the player must stay within the Waste Area when taking relief. No relief is granted within Penalty Areas.
4. #10 Left of Cart Path – "Landscape Beds" are a part of the hole. Relief without penalty is **not granted** if your ball lies in any of these Landscape Beds.
5. If your ball has come to rest in a playable lie and is near an alligator, and you feel unsafe playing it from its position, you may drop (without penalty) in the nearest "safe" spot that most closely replicates the prior ball position.
6. All inside edges of bordering fences, roads, parking lots, sidewalks are Out of Bounds. (Road on left of #10, #15, Road behind #2, #9, #17, Sidewalk/Path behind #10, #12, #18)
7. The water line on the Homeowners side of the water is considered Out of Bounds.
8. The outside edge of the bulk heads represents the hazard line. If the bulk head interferes with stance or swing on the golf course side you may take free relief (Immovable Obstruction- Right side of green and green-side bunkers on #1, #13 and #18.)
9. Free relief from all staked trees, but only from the stake.
10. Free Relief from Sprinkler Head within two club lengths of green **and** within two club lengths of ball.
11. On Hole #13, players may elect to use the drop area for any ball coming to rest in the hazard on the right. **Players may not enter this hazard to retrieve balls or play shots.**
12. **USGA Rule E-5:** Lost Ball or Out of Bounds, Stroke and Distance Relief. Golfers have three options, this option allows the player to drop in a large area between the point where the ball is estimated to have come to rest or gone out of bounds and the edge of the fairway of the hole being played that is not nearer the hole. The player gets two penalty

strokes when using this relief option. This means that the relief is comparable to what could have been achieved if the player had taken stroke-and-distance relief.

HANDICAP POLICY

MEMBER RESPONSIBILITY FOR ACCURATE POSTING OF SCORES

1. Members must have an active Bonita National USGA GHIN Number to participate in any Bonita National Golf Club Tournament, League or Event play. A member can register or transfer a GHIN Number at the Golf Shop.
2. Bonita National has implemented the World Handicap System as directed by the USGA on January 1, 2020. The World Handicap System sets the maximum number of strokes that a player can post on any hole to a Net Double Bogey. For players with an established Course Handicap, the calculation of a Net Double Bogey is as follows:
-PAR of the hole + 2 Strokes (Double Bogey) + Any Course Handicap Strokes (+ or -) that the player receives on the hole.
(For a player submitting their first scores to establish an initial Handicap Index, the maximum score on any hole is limited to a Par plus 5 strokes.)
3. A player must post their score for all rounds played under the USGA Rules of Golf before the end of the day on which the round is played. This posting can be done by utilizing the Handicap computer located in the Clubhouse, over the internet at GHIN.com, or the GHIN app on their smartphone.
-If a player plays 7 to 12 holes, they must post a Nine Hole Score.
-Playing 13 or more holes and not finishing the round requires an Eighteen Hole Score to be posted. For the un-played holes, the USGA requires the posting of a score of Par plus any handicap strokes that the player is entitled to receive on those unplayed holes. These holes should be preceded by an X when recorded on a score card.
-For holes where strokes are conceded, post a score for that hole by determining your most likely score for the hole. Your most likely score would be the actual number of strokes taken plus your estimated number of strokes needed to finish the hole from that position.
4. The Head PGA Professional will determine which events qualify for Tournament Score posting and will be responsible for posting those scores.
5. If a player attempts to avoid posting their scores and is not complying with the USGA World Handicap System, the Head PGA Professional may withdraw that player's Handicap Index, making that player ineligible for Tournament, League or Event play.

HANDICAP COMMITTEE: HANDICAP MONITORING AND COMPLIANCE

1. The Bonita National Handicap Committee will be comprised of two Members of, and the Chairperson of, the Golf Operations Committee. The purpose of the Handicap Committee will be to monitor the inputting of members scores and to qualify members for tournament and other event play where handicaps are required. The Committee will also act on and resolve any concerns regarding member's handicaps as set forth in this section.

2. The Handicap Committee will monitor member play and posting on a daily/weekly basis or as directed by the Golf Operations Committee. The Handicap Committee may check tee sheets against member's posted scores.
3. In order to participate in Bonita National Tournaments, Leagues and any event requiring the use of a handicap, each member must have appropriately posted their scores for their rounds played (see section A.3).
4. In preparation for an announced Tournament or event, The Handicap Committee will review member's handicaps and their posted rounds of golf. The Committee will determine if any participants have not properly posted their scores for rounds played. The Committee will then advise those members by email that they are not in compliance with the Handicap Policy. The member will have 24 hours from the time they receive the email notice to either post their missing scores or contact the Head PGA Professional and explain why they did not post the missing scores.
The committee may meet and discuss with the Head PGA Professional the member's case, and decide if the explanation for not posting a score or scores is valid. The Committee along with the Head PGA Professional has the authority to (a) post a penalty score for the member or (b) initiate other action as set forth in the USGA Handicap Manual.
5. As set forth in section A.5 above, members who fail to comply with the posting of accurate scores may be refused entry into Tournaments, Leagues and Events.

CHELSEA RESERVATIONS

OVERVIEW – WHAT IS CHELSEA?

- Chelsea has been in business since 1987 and is located in Coral Springs, Florida with all support and programming remaining in the USA.
- The Chelsea system is one of the most widely used reservation systems and has installations throughout the U.S. including many in high end private and semi-private clubs in Florida.
- The Chelsea Reservation Tee Time System is an internet-based system that is designed to distribute requested tee times in a fair, equitable, and consistent manner.
- The Tee Time Reservation System will prioritize member requests and will ensure equal access for all members based on the club's rules.

GETTING STARTED

- Members will be able to request or book tee times through a link on the club's website. To do so, please visit any of the following links:
 - Direct Link: <http://bonitanatl.chelseareservations.com/>
 - OR <http://bonitanationalgolf.com>, and click on "Chelsea – Log In"
- Each member will log in for the first time using his or her Member Number and the default password of Bn1234.
- Member numbers are made up of the 4-digit number found on your member ID card, followed by a zero (0) for men, one (1) for women, and a 2, 3, 4 etc. for any children on the membership.
- Rather than a 0 or 1, transfer member numbers will end with a 7 or 8, transfer member assumes the club average of points.
- Once you are logged in, you can then update your email address, password, telephone number, and emergency contact information by clicking on Profile.
- **Email addresses are vital if you wish to receive confirmation of tee times**

REQUESTING A TEE TIME

Details

- Tee time requests will be accepted by the system between 14 to 5 days prior to the day of play.
- Placement will occur 4 days prior to the day of play.
- All requests between 14 to 5 days will go into the queue for that day's play. It is not a first come, first served system, and tee times are not based on the date or time the request is made.
- Tee times may be linked together with up to Four (4) foursomes per request playing in consecutive order.

Making a Request

- Select the day you would like to play from the drop-down list.
- Enter the requested time. Choose the earliest time you would prefer to play.
 - Choosing an earliest time is ensuring that your tee time will be no earlier than that time.

- Enter the Number of Tee Times (linked teams) and whether or not you prefer that the system break the link. **Please understand when linking times, the points are averaged for the entire linked group.**
 - Choosing to break the link allows the system to place fewer groups from the link when the golf course is at its fullest (Example: Four groups are linked together but only 3 tee times are available. Breaking the link allows the first 3 groups to be placed while the fourth group moves to the Overflow List).
- Click Player Information.
- Enter the member number for each player in your group.
 - If you do not know each player's member number, click on the magnifying glass to search by last name.
- Use the guest drop down to add a guest.
- Enter your guest's first and last name (*Optional*).
- Click "Add Members to Buddy List" if you wish to add the players to a quick list for future requests.
- Click Submit.
- Please ensure that you wait for a request confirmation to load.
- When first requesting, all transfer members will assume the club average points. They will not start with 0 points.

EVENT REQUESTS

- Event sign-ups can be found under the request tab. Add an Event Request.
- You will be able to sign up for any open events, given your membership type permits.
- Men's/Ladies Days – 14 Days in advance. Chelsea points are applicable for Men's/Ladies Days
- Club Tournaments – 14 Days to 1 Month – depending on the event (see event descriptions below)
- There are no Chelsea play points distributed for tournaments/events.
- You must be registered for a handicap with Bonita National Golf and Country Club to play in any club tournaments/events and Men's/Ladies' Days.
- You must also select the tee that you want to play before submitting the event request.

REVIEWING YOUR INFORMATION

- Under the Review tab, you can review your information, which includes:
 - Schedule
 - Requests
 - Overflow
 - Points
 - Play History
- You can also review:
 - Friend's Schedules
 - Event Requests
 - Tee Sheets

TEE SHEET PLACEMENT

- Each member will have a rolling point total (Play History) over the last 14 days.
- Tee Sheets are processed 4 days prior to the date of play at 10:00am. At that point, changes may be made to any bookings already placed.
- Once placement has occurred and the tee sheet has been established, email confirmations will be sent to each member (provided the email address has been added on your profile) with the assigned date, time, and course information.

PLAY HISTORY / PLACEMENT

- Tee time placement is based on the past 14 days for each player in the group.
- The Chelsea System assigns one (1) point per player at the time of request and one (1) point per player at placement, but not both.
- For every hour after the requested time a group is placed, players will receive a deduction of .1 from a full point.
- Example: Accepted Range – 8:00am – 3:00pm
- Requested Time – 9:00am
- Actual Placed Time – 11:00am
- Each player would only receive .8 points at placement.
- At the time of placement, the total number of points in each group is divided by the number of players in the group for an average team total.
- Example:
 - Member A 5 Points last 14 days
 - Member B 2 Points last 14 days
 - Member C 7 Points last 14 days
 - Member D 6 Points last 14 days
 - Average Team Total Points = 5
- The team with the lowest average team total will get placed first.

Example:

2 Groups requesting 9AM.

- Group 1 Average Team Total 3 Points
- Group 2 Average Team Total 4 Points

- Group 1 would be placed at the 9AM tee time, and Group 2 would then be evaluated against all others requesting a tee time before and after 9AM, provided it is within their requested range.

GUEST POINTS

- When requesting a tee time, each guest (up to 3 per group) will assume the play history points of the member.

Example: Tee time request with 1 member and 3 guests.

Member Points 4

Guest 1 Points 4

Guest 2 Points 4

Guest 3 Points 4

The Average Team Total Points for the group would be 4 points. It is not the members 4 points divided by 4.

- At placement, each member with an associated guest will receive one (1) point for each associated guest(s).

In the example above, the member would receive 4 points at placement for his/her tee time.

OVERFLOW

- When the tee sheet is processed for a day and there are more requests than available tee times, groups with higher play history averages will be placed onto an overflow or waiting list.
- The groups on this list will be ranked in order of team play history average.
- After placement, and prior to the day of play, it is the member's responsibility to continuously check the tee sheets for available tee times or recently opened tee times. The Chelsea System does not automatically fill in the next group on the overflow list.
- If the Golf Shop deletes a placed tee time, they will place the next group on the overflow list and send the members of that group an email of notification.
- If there are cancellations for the day of play, the Golf Shop staff will contact groups on the overflow list in ranking order to give that group 'first right of refusal' for the open tee time.
- Groups contacted by Golf Shop staff for a canceled tee time will be given a specified time limit to accept or decline. If the time limit expires before a decision has been made, it will be considered to have been declined and staff will move on to the next group on the list.

BOOKING A TEE TIME

Adding a Booking

- Once the tee sheet has been processed and tee times are placed, members are able to add themselves to any open tee times available on the tee sheet.
 - Under the Booking Tab:
 - Add a Booking
 - Select Day, Time to Review, and Enter Player Information
 - Click Display Times
 - Click on any available times to add your group into that selected time and click Submit.
- The only exception is the day of play. The Golf Shop must make all changes and additions to the current day's tee sheet.

MAKING CHANGES TO A BOOKING

Once the tee sheet has been processed and you have received confirmation of your tee time, there are changes that can be made to the placed time.

Under the Booking Tab:

- Add, Edit, or Delete players from a booking
- Change a tee time if available
- Delete a booking
- Edit linked tee times (up to 4 groups)

CANCELLATION POLICY / NO-SHOWS

- Members are responsible for checking the Chelsea Reservation System for their tee times.

- Members are also responsible for notifying the Golf Shop a minimum of 24 hours in advance with changes or to cancel a scheduled tee time.
- Any member who is a “no-show”, or cancels the day of play for their tee time during any regular play will be assigned one additional Chelsea point. Additionally, members will also be assigned an additional Chelsea point for each guest or immediate family member who is a “no-show” or cancels the day of play. This rule is only in affect November 1-April 30.
- League Play – Any member who cancels within 72 hours of a Men’s or Ladies’ weekly league will be assigned one (1) Chelsea point. Further, any member who is a “no-show” or cancels the morning of league will be assigned two (2) Chelsea points.
- Further penalties up to and including the suspension of golf privileges may be assessed if it is found that a member is purposely falsifying tee time requests. See the club rules and regulations for policy on falsifying requests.
- There will be no cancellation points assigned for days where the entire course is cart path only, or if weather results in course closure.
