WAITING LIST PRIORITIES

At Bonita Bay Club, Members come first. In 2018 a commitment was made to protecting BB home values once non-residency memberships were made available. So, advancement of those on the golf waiting lists favors those who have purchased a Member's home within Bonita Bay. Everyone is placed on the waiting list in the order of their signing and will advance toward full membership at a different pace through a pre-determined and impartial process based on the foregoing.

Limited Non-Resident Applications Accepted
